

Court Approves Mandatory E-filing & ECF Training

United States District Court, Eastern District of Michigan

On September 19, 2005, Chief Judge Bernard A. Friedman announced that the Court has approved mandatory e-filing. Therefore, except as specified otherwise in the Court's ECF Policies and Procedures or by court order, all papers (not simply cases) filed after November 30, 2005, must be filed electronically.

In anticipation of mandatory e-filing, the Court also approved mandatory training for all ECF filing users. Effective September 19, 2005, the Court will not issue ECF logins and passwords to attorneys who complete ECF Registration until they (or a member of their staff) attend ECF Training.

All information necessary for an attorney to become an e-filer is available on the Court's web site or by calling the ECF Attorney Help Desk at (313)234-5042.
